

Description:

Steve & Leif® BOPP Packaging Tape is a pressure sensitive tape used for sealing corrugated fibre carton box. BOPP (Biaxially Oriented Polypropylene) is a widely used material for packaging products known for its high tensile strength and clarity. Steve & Leif® BOPP Tape is available in Clear and Brown. Widths available in 48mm or 24mm in various lengths (80Y or 40Y).

OPP Packaging Tape

Qty/Ctn

48mm x 80Y (Clear)	SL-4400	72
48mm x 40Y (Clear)	SL-4401	144
24mm x 40Y (Clear)	SL-4403	144
48mm x 70Y (Brown)	SL-4402	72
48mm x 35Y (Brown)	SL-4404	72
48mm x 70Y (Light Brown)	SL-4502	72
48mm x 35Y (Light Brown)	SL-4504	72

Specifications:

Item	Total Thickness	Initial Tack (Ball test)	Peel Adhesion	Holding Power	Tensile Strength	Colour
4400 series	45um	≥20#	≥6N/25mm	≥24h	≥2.5KN/m	Clear / Brown

Applications:

- Carton Sealing
- Light Duty Packaging

Features:

- Good performance
- Adhesion
- Convenient
- Low cost

Stickiness Index:
